FROM US TO YOU

At The Nessie Nook, we are determined to create the best gear for you and your dance family.

We provide studio gear for toddlers to adults. If a product type is not listed in a particular gender or age, let us know what you're looking for, and we'll find it!

Product availability may vary in size and colour at time of purchase. In the event your chosen product is unavailable, we will work to find you a close alternative at a comparable price.

Looking to re-design your studio logo? We can help with that! We work with studios to design identifiable logos with a personalized, creative touch. Inquire further about competitive pricing for logo design.

Already have a logo? Great! We print your studio logo on all products purchased by your studio dancers, included in the item price.

You can set the colours available to your dancers for specific items, if desired. We can also add dancers' names to their gear for a small fee.

All sales are final as each item is customized, but in the event of an error or issue, we will work together to find a solution beneficial to both parties.

We look forward to working together to bring your studio look to life!
